Mayor's Veto message on Paper #131?52-Ordinance
establishing a Comprehensive personnel Program
in the City,

May 17, 1978

The Honorable, the Board of Aldermen
City Hall
Somerville, Mass.

Gentlemen:

I am returning Ordinance No. 1977 pertaining
to establishing a comprehensive personnel program
in the City of Somerville and providing for the
direction thereof with my VETO for the following
reasons:

1. I have asked the United States Civil Service
to come into Somerville to help set up a
personnel policy at no cost or at a minimal
cost to the City.
2. Given the present financial condition of the
City and after just recently creating a
traffic commission with a new position,
financially I cannot see creating any new
jobs.
- 3« The personnel powers will usurp some of
the powers of the Mayor of the City and I
do not feel that this is proper.
- 4* A major change in the structure of the Gov-
ernment should be a combined effort from
an over-all policy.

Respectfully yours,
Thomas F. August

Gentlemen:

I am herewith returning to you with my VETO
Ordinance pertaining to the requiring of submission
of a capital outlay budget by the Mayor on an annual
basis.

I feel that this Ordinance would increase the
amount of paper work. Also, there is a capital budget
included within the general budget and I, therefore,
feel that this Ordinance is unnecessary.
